Around the Americas Returns to Port Townsend!

What is *Around the Americas*?

Around the Americas is a 13 month, 27,500 nm sailing expedition around North and South America to raise awareness of the threats to our oceans and the need to take action.

On May 31, 2009 the S/V Ocean Watch made the first port call of her voyage in Port Townsend.

On June 16, 2010 after 27,500 nm and 53 stops in 13 countries the S/V Ocean Watch will make her final stopover in Port Townsend before returning to Seattle.
