

Around the Americas

The March Session is on the Horizon!

When: Monday March 29th, at 11am (Pacific Time)

Link: <http://tinyurl.com/WAVAE Expeditions2010>

Washington Virtual Academy K8 invites you to join us in our “Live from the Galapagos” [Around the Americas](#) Expedition! Don’t miss this exciting learning adventure that follows the real time voyage of *Ocean Watch* and her crew as they travel 25,000 around the Americas to promote awareness of ocean conservation. We look forward to “seeing” you in class!

This month the voyage takes us to the Galapagos Islands off the coast of South America. Scheduled presenters include the crew aboard *Ocean Watch*, giving a first hand account of some of the discoveries made so far on the voyage, and members of the Around the Americas Education Team, joining from Seattle, WA, and Costa Rica. Use the link above to enter the session by **11am Pacific Time**.

Important! Please sign in using this format:

Individual and Virtual Academy students sign in as:

School_Student first name_Last name initial (teacher’s name): **WAVA_Harry_P (Dumbledore)**

Formal Classrooms joining should sign in as:

School_grade_location_(teacher’s name): **Hogwarts_5th grade_Hogsmeade,UK (McGonagall)**

Before the session, you may want to sail over to the Around the Americas website at <http://www.aroundtheamericas.org> to discover where *Ocean Watch* and her crew are now, read for yourself the ships logs, and think about some questions that you would like to ask the crew. You can even calculate how many more miles her crew needs to travel before completing their Around the Americas expedition!
